

ROCK POINT

River Rock White

Tasting Notes: River rock white is a refreshing aromatic white wine with intense fruit aromas of peach and apple. The taste is crisp but not acid due to the light sweetness. With age River rock white will develop a pleasant petroleum characteristic of the Riesling wines.

Winemaking notes:

Rock point white is a blend of Riesling and Muscat grapes. The two juices are co fermented at low temperature and in stainless steel to retain crisp acidity and the fermentation aromas. After 5 months of ageing the wine is fined, filtered and bottled.

Wine Analysis:

- pH - 3.42
- Titratable Acidity - 5.8 gms/L
- Residual Sugar - 0.75%
- Alcohol - 12%
