

ROCK POINT

2018 PINOT NOIR

Rock Point Pinot Noir is an intriguing compilation crafted from all our Pinot Noir clones and vineyard blocks. The captivating aromas of the Rock Point Pinot Noir echo the rich wilderness and beauty of Southern Oregon. The nose recalls cedar and pine tree forest, mocha, burnt toast and woodland strawberries. Supple tannins, balanced acidity and toasted oak texture the savory mouthfeel.

A combination of barrel and stainless steel fermentation is used to preserve the maximum fruit intensity. The wine was finished unfiltered with only rough filtration, resulting in a Pinot Noir with intense fruit and smooth tannins.

*Enjoy with salmon, mushrooms,
lighter red meats & friends*
